

Chard your yard - garden bed materials list & assembly instructions

Materials

- 4 - 2X6 5 ft long sides
- 4 - 2X6 3 ft short sides
- 4 - 2X2 8 in corner braces
- 3 dozen 5# 2.5" deck screws
- ½ cubic yard dirt (50% compost/50% topsoil)
- Cordless drill & bit

Layout

Instructions

- Assemble short side first
- lay 2 3ft 2X6 side by side on saw horse or work surface
- use 4 screws to attach each 2X2 to each end (below)

- Repeat for second short side
- With 2 people stand assembled short sides up on ends
- Place long side boards across 2 ends lining them up straight

- Screw 2 screws thru each board end, connecting the corners
- Flip bed to unfinished side and repeat with last 2 boards
- Position in final place and fill with soil.
